

## **Weekly Report**

*Period: 2017/2/27-2016/3/5*

*Reporter: Li Zongzhuang*

### **Done**

This week, I change my computer operating system to Ubuntu so that I can make deep learning more easily. I also deliver some clothes and some daily necessities to Zijingang on weekend.

### **To do**

I will to make an example of deep learning as fast as I can. Then make a end of my overview.
